

Gravity Door Chute

**Control package flow and
connect systems.**

*Designed to span the dock for loading
operations, as transition onto a conveyor.
Manual extension and retraction to hold
chute at preferred length. End tip gate
allows for easy adjustment between
pre-charging and standard package flow.*

12-to-24 inch side panels
contain package movement

**Concave galvanized
steel bed** for smooth
package flow

Manual end tip down gate
manages package flow

**Hand crank
boom extension**
to position chute
at preferred length

**Adjustable height
support legs**

Options

- **Customized length** to fit application
- **12" to 24" side panels** available to help contain package movement
